PUBLIC HEALTH ENGINEERING DEPARTMENT
Nirman Bhawan, Gangtok

Memo No: PHED/360 Date: 08/07/26

To

Dr Hari Sharma
Assistant Professor
Sikkim Manipal Institute of Technology, Majitar.

Dr Sajal Sarkar
Associate Professor
Sikkim Manipal Institute of Technology, Majitar.

Shri Ranjan Rai
Executive Engineer
State Pollution Control Board, Deorali.

Sir,

Subject : Invitation for participation for Technical Guidance and Expert Inputs during Technical Evaluation Committee Meeting Scheduled on 15th July 2026 for Retender of RFP- Reg

A Technical Evaluation Committee has been approved by the competent authority for examination of the Stage-I Technical Proposals in connection with the RFP (Retender) titled:
"***Detailed Survey, Investigation, and Preparation of a Detailed Project Report (DPR) under the Design-Build-Operate (DBO) contract model for Upgradation and Annual Comprehensive Maintenance Contract (ACMC) of Sewage Treatment Plants at Adampool, Sichey, Jalipool, Syari, and Tathangchen under Gangtok Sewerage System.***"

The meeting of the Technical Evaluation Committee is scheduled to be held on 15th July 2026 at PHED, Nirman Bhawan. The Technical Evaluation Committee is comprised of following PHED officers:

1. Chief Engineer, PHED : Chairperson
2. Additional Chief Engineer(N/E), PHED
3. Superintending Engineer (Sewerage), PHED
4. Assistant Engineer (Planning), PHED
5. Assistant Engineer (SEW), PHED

Further, the following external Subject experts / officials are proposed to be invited exclusively for technical guidance, suggestions, and professional inputs during the evaluation process:

1. Dr. Hari Sharma, Environmental Engineer, SMIT
2. Dr. Sajal Sarkar, Structural Engineer, SMIT
3. Mr. Ranjan Rai, Executive Engineer, State Pollution Control Board

In this context, you are kindly requested to extend your expert support by providing technical comments, observations, and professional advice to the Committee during the meeting, as and when required.
The summary of the agenda and the technical evaluation criteria as per the RFP, along with a copy of the RFP document, shall be shared separately for reference and prior perusal.
Your expert guidance will be of immense value in assisting the Committee in ensuring a transparent, fair, and technically sound evaluation of the proposals.
Kindly convey your availability and consent to provide expert guidance for the above meeting at the earliest.
For any queries, kindly contact Mr Sunil Lama, Assistant Engineer(8927678988)

Yours faithfully,

Superintending Engineer
W.S. & P.H.E. Deptt.

Sir,

Subject: Postponement of Technical Bid Opening / Technical Evaluation Committee Meeting – Regret

This is with reference to the **postponement letter vide SE(Sew)PHED/HQ/07/246 dated 10/02/2026** inviting you to provide expert guidance during the Technical Evaluation Committee meeting for examination of the Stage-I Technical Proposals on 10th March, 2026 in connection with the RFP titled:

"*Detailed Survey, Investigation, and Preparation of a Detailed Project Report (DPR) under the Design-Build-Operate (DBO) contract model for Upgradation and Annual Comprehensive Maintenance Contract (ACMC) of Sewage Treatment Plants at Adampool, Sichey, Jalipool, Syari, and Tathangchen under Gangtok Sewerage System.*"

In this regard, it is hereby informed that the date scheduled for opening and evaluation of the Stage-I Technical Bids has again been **postponed due to administrative reasons**. The **revised date of the Technical Bid Opening / Technical Evaluation Committee meeting is mentioned in the new corrigendum letter.**

A corrigendum to this effect is issued and enclosed herewith for your kind reference.

The Department sincerely **regrets any inconvenience caused** due to the change in schedule and seeks your kind understanding and continued cooperation in the matter.

Your expert support is highly valued, and we look forward to your guidance during the rescheduled meeting.

For any clarification, you may kindly contact Mr. Sunil Lama, Assistant Engineer, PHED, at 8927678988.

Yours faithfully,

Superintending Engineer
